

Reviews

"Combining the best traits of two genres that don't share much in common, it's possible to create a unique product that differs greatly from its competitors."
PC Invasion

"Eximius: Seize the Frontline's combination of RTS and FPS elements is complex at first but becomes an enjoyable competitive experience over time."
SCREENRANT

"Ever been playing a first-person shooter and suddenly had the urge to take a top-down view of the map and command some other forces for a minute, Eximius could be the game for you."

About This Game

Eximius is a Strategic Action Shooter (FPS/RTS Hybrid) that focuses on squad-based combat.

Introduction

Eximius combines tactical First Person Shooter gameplay with high level strategic decision-making of a Real-time Strategy(RTS) game. The game features a competitive 5v5 team battles where players square off in a post apocalyptic urban environment.

Play as a Commander (RTS) ; build base, train an army and call down support abilities to help your allies on the ground to gain territory.

Play as an Officer (FPS) ; lead your infantry squad into combat and crush your enemies with your agile tactics or brute force. Capture resources for your team, upgrade weapons and equip battlesuits suitable for your combat role.
